

# FILM MAKING SUMMER COURSE

---

This course will give you real insight into many aspects of cinematography and the world of film. Whilst being fun and informative you will leave with a real sense of achievement as the two weeks culminate in the screening of your films and an award ceremony.

## LEARN FROM PROFESSIONALS

Our lecturers are all working professionals who will bring valuable industry experience to the programme.

## BROADEN YOUR SKILLS IN THE INDUSTRY

Through research and practical experimentation, you will become acquainted with the skills and knowledge that will serve as perfect starting point for future education and possible careers in the Film and TV production industry.

## EXPLORE THE UK FILM & TELEVISION INDUSTRY

Field trips will form a fundamental part of the course and you will get to explore UK attractions such as Warner Bros. Studio Tour: Harry Potter Experience, BBC Broadcasting House in London and local film previews.

## DEVELOP YOUR SKILLS IN:

Cinematography | Set design | Editing | Animation | Lighting | Directing |  
Script writing

# PROGRAMME OUTCOMES

1. You will have explored a range of practical and theoretical themes connected to the film, television and animation industries.
2. You will have had the opportunity to solve creative briefs through a range of techniques and skills guided by our highly experienced staff.
3. You will have had access to professional level equipment including cameras and editing software.
4. You will have had the chance to present your films to staff and fellow students in a night of premiers, complete with popcorn and red carpets!
